With Valerie A. Lindsay, Intergovernmental Problem Solving: The Local Perspective (Rockville, MD: Project SHARE, 1983), funded through SHARE by its sponsor, Office of the Assistant Secretary for Planning and Evaluation, U.S. Department of Health and Human Services.

With Edward Baumheier, Models for Coordinated Health and Human Services (HRA-230-77-0153) an eight state study of health programs in comprehensive departments of human services for the Health Resources Administration, U.S. Department of Health, Education, and Welfare, September, 1979.

The Public Sector and Governmental Structures, technical background paper for Committee on Government Structures, 1981 White House Conference on Aging, February, 1981.

With Beryl Radin, C. Gregory Buntz, and Edward C. Baumheier, Evaluation of the Planning Requirements Reform Demonstration Project of the U.S. Department of Health and Human Services (129-79-HEW-08), a twelve state study of a pre-block grant experiment in state plan consolidation, for Office of Assistant Secretary for Planning and Evaluation, U.S. DHHS, October, 1981.

Human Resource Development and the Emerging Mental Health System, report prepared for the Indiana Department of Mental Health, under a grant from the Center for State Manpower Systems Development, National Institute of Mental Health, U.S. Department of Health and Human Services, December, 1983.

Involvement in over 50 additional government consultation and research reports at the municipal, county, sub-state, state and national levels. Functional areas include aging, health, social services, substance abuse, child welfare, municipal policy development, public productivity, employment and training, land use, community development, interlocal and intergovernmental cooperation, and local energy policy. Approaches have included: management studies, field studies, survey research, secondary data analysis, organizational development, action training and research, and didactic training.

Work In Progress

Research, with Michael McGuire, on the management of intergovernmental networks.

Conductive public organizations: emergent roles for bureaucracies.

Book, Collaborating to Manage, based on six invited lectures in 2008-2009, under contract with Georgetown University Press, manuscript completed, in production.

"Local governments and national governments," to be published in Oxford Handbook of State and Local Governments.

Book on IGR's administrative dimensions from the integral state to collaborative networking.

Vita
Robert Agranoff

Rev 01/2012

Co-editing a book on network theories with Myrna Mandell and Robyn Keast, under contract with Routledge.
