## Personal Statements

On a separate sheet, please provide the following two personal statements. Information should be brief and concise, typed, and written in English. Please do not exceed the maximum number of words requested. Be sure to include your name at the top of all pages.

### Statement # 1

A 450 - 500 word statement explaining your reasons for wanting to be an exchange student at the University of your choice. Information may include, but is not limited to: How the exchange program will complement your academic experience at SPEA, your expectations for personal and academic growth while participating in the exchange program, how you anticipate the exchange program will enhance your future career goals, and the types of courses you are interested in taking during your participation in the exchange program.

### Statement # 2

A 250 - 300 word statement about how you intend to spend your leisure time during the exchange program. Information may include, but is not limited to: Travel plans, hobbies and interests, cultural and sports activities, social and organizational activities, and opportunities for just plain fun. There are no right or wrong responses. We are asking this information so that you can start thinking about and researching the many wonderful opportunities available to you during your time spent abroad.
